

Cable support bracket Ord.-No. 40 02

The stainless steel support bracket is mounted on the wall. With the included M16 cable glands, one or two level controllers can be suspended freely at exactly the required height. Comes with screws and anchors (M6).

Technical data:

Material: stainless steel
 Size: approx. 280 x 110 x 30 mm (11 x 4 1/3 x 1.2 in)
 Cable gland: M16 Polyamide
 Clamping range: 4.5 - 10 mm (0.18 - 0.4 in)
 Anchor: M6 x 67 A4

Cable weight Ord.-No. 40 03

The NIVA cable weight 40 03 weighs approximately 700 g (1.5 lb) and can be used on all level controllers. The weight can be retrofitted on already installed controllers.

Technical data:

Weight: 700 g (1.5 lb)
 Material: cast iron, plastic laminated
 Cable fixation: 3 cut-outs
 Size (L/W/H): 190 x 31 x 27 mm (7,5 x 1.2 x 1 in)

Cable weight Ord.-No. 40 00 and 40 01

The NIVA cable weight 4000 weighs approximately 300 g (0.7 lb) and can be used with NIVA level controller M2. Cable weight 4001 weighs approximately 700 g (1.5 lb) and can be used with NIVA level controllers MS 1, N 1 and KR 1.

Both weights must be fixed to the cable before installing the level controllers.

Technical data:

Weight: 40 00 = 300 g (0.7 lb)
 40 01 = 700 g (1.5 lb)
 Housing quality: Polypropylene (PP)
 Cable gland: M16 Polyamide
 Clamping range: 4.5 - 10 mm (0.18 - 0.4 in)
 Size: Ø 60 mm x 110 mm (Ø 2.36 in x 4.33 in)
